Set FüSt B Basis San/Bt

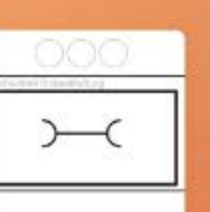

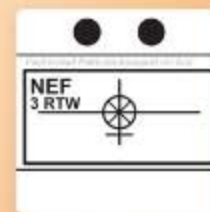

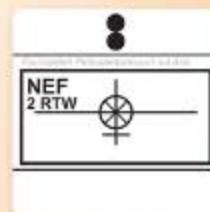

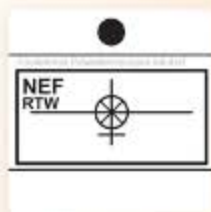

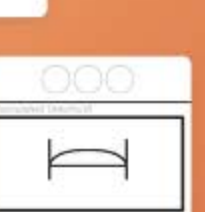

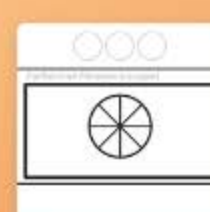

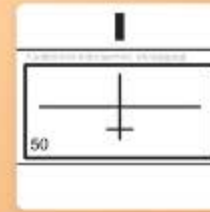

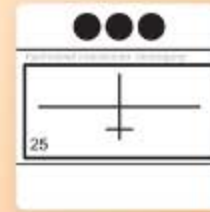

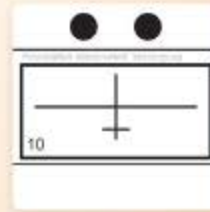

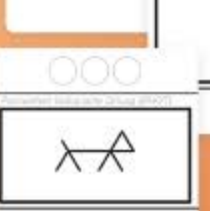

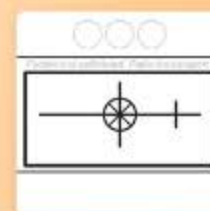

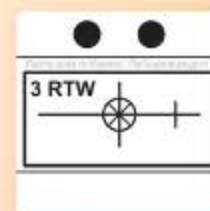

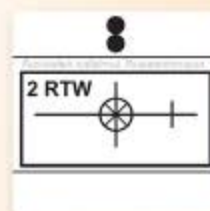

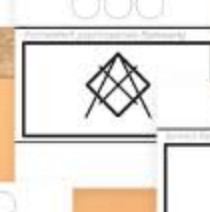

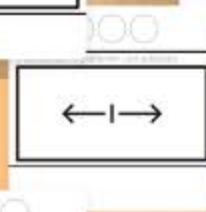

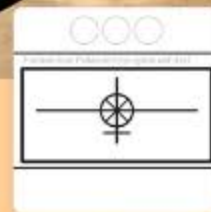

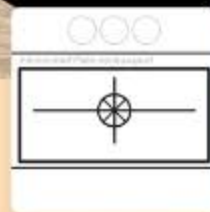

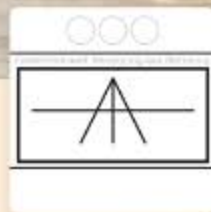

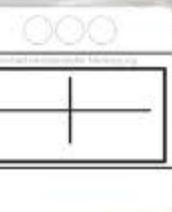

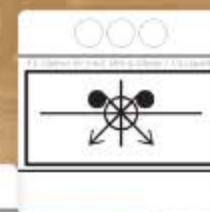

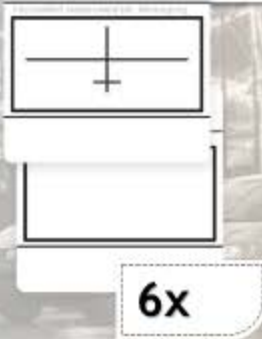

The main layout template consists of a large grid for station placement. To the right of the grid is a detailed station card with fields for 'Stationenname', 'Drehbarkeit', 'Verantwortlich', and 'Spezialwissen'. Below these fields is a checklist for various services: 'Rückmeldung?', 'Gefahrenschwerpunkt?', 'Anfahrtskiste?', 'Abschnittsbildung?', 'Kräfteersatz?', and 'Spezialwissen?'. Each item has a corresponding symbol (diamond, circle, triangle, etc.) and a checkbox.
